CAPTURE POINTS 2017-18

Merimbula	18
Canberra	10

PROGRESSIVE TAG & RELEASE POINTS 2017-18

Merimbula	10
Shellharbour	3
Canberra	2

It was good to see representatives from ten clubs at our AGM and Presentation Lunch on the 2nd July with around forty in attendance. Not all recipients were able to be there but I am sure their trophies will be passed on to them. Next years AGM and Presentation Lunch has been booked for 1st July so please put that date in your diaries.

With no motions forthcoming from NSWGFA for our meeting we did discuss a number of issues. Your delegates will have received their papers by now and there will be a Zone meeting at 9am on Saturday where we will be able to discuss same. I look forward to seeing your delegates at the NSWGFA AGM next weekend in Newcastle.

With varying results for our monthly competition I have no idea how we will fare in the trophies this year. I am sure the other Zones would be glad if we did not do too well but we will see. I just hope you all got your Coastal Waters returns in on time.

The 2017-18 calendar has been sent out with the missed Public Holidays. We had an overlap with Eden initially but they have now come back with new dates which are 2-4 March 2018 so please adjust your diaries.. I have attached a revised calendar. With the Public Holidays falling over consecutive months I think the scoring should be listed for the first month to make it easier for the recorders.

It is important that you support as many tournaments as you can in your area. Many clubs are dependent on these events for their financial viability plus it is nice to reciprocate when others support your tournament. Tournament numbers were generally down last season and there are various factors that contribute to this. We all wish for good weather, abundant fish and suitable currents but unfortunately we have no control over these things.

Hopefully the fish will be more plentiful for this month as I had quite a few clubs send I a nil return for June.

Stay safe and enjoy your fishing.
Sanchia
