Some great sharks caught this month led by Ben O'Donnell's 412kg Monster Mako out of Jervis Bay on 15kg line. Great effort and absolute beast of a shark.

Amanda's 300kg Mako Shark on 15kg line this month is a pending NSW junior and senior record and Australian record for junior female as well as a junior and senior female world record. It was great to be on board the mighty 'Tailwalker' and be part of this memorable day for Amanda.

The GFAA AGM was very tame by previous standards and not a lot to report from it. Southern Zone did exceptionally well at the presentation with a good haul of category winners coming from our local clubs. Well done to those that won trophies.

The NSW interclub entries will be out shortly and it would be great to get a few extra boats from the zone to represent. I am happy to assist anyone that would like to go with information and help organising their trip so please discuss it at you upcoming club meetings and try and get a team or two together.

Stay safe and tight lines
 Steve
