Thank you so much for your patience. I am finally home from hospital and am managing to hobble around on crutches. It's going to be a few weeks before I will be able to walk normally but am making good progress so they tell me. Your cards, flowers, bubbles and thoughts have been much appreciated.

Not a whole lot captured last month but there certainly was some action on the tagging front. I also heard that a lot of fish were taken on non Zone days so it's good to know they are out there.

March brings us the Southern Zone Interclub which is being held again on the same day as the Alliance at Bermagui. Remember that you can fish both and as you are able to fish out of your own port for a nominal fee it is a great opportunity to represent your club. Rules and Entry form attached but also available from Club Secretaries. Please join in this event.

Shoalhaven also has their Open Tournament in March and again, I ask that you support your neighbouring club.

Have fun fishing and stay safe.
