What a great turn out for our Southern Zone meeting and presentation lunch. We had over 40 at the lunch and a lot of happy trophy winners. Thank you to all who attended and made it such an enjoyable day. The same venue has now been booked for next year.....Sunday 3<sup>rd</sup> July 2016 so put that in your diaries now.

The meeting got a tad heated at times when discussing the motions etc put up for the NSWGFA AGM but there was good discussion and differing opinions. Delegates went home with a clear idea on how the majority wanted to vote. We are never all going to agree on everything but it is healthy to have a good debate and hear the ideas of others.

There was discussion on the increase in NSWGFA fees and the possibility of a fall off in membership. It was asked just what does NSWGFA do for us. This is a question your delegates can ask at the AGM.

Perhaps it is time we had a look at our own individual clubs and just what we are offering our members. Several clubs do not have regular or even any general meetings and all decisions are made by their committee and therefore no consultation with members. A number of clubs that do not have newsletters so their members have no idea what is happening. We have so many rules and regulations we have to make it attractive for people to join our clubs and hence increase our membership and that of NSWGFA.

As you can see it has been a good start to the season with Yellowfin and SBT so hopefully this will continue. I hope you all continue to support each other when the tournaments are on and have a great season.

Stay safe and enjoy your fishing.
