The Jervis Bay White Sands Tournament was a great success with 50 boats competing from both Southern Zone and Sydney clubs. A good number of fish were tagged and some weighed. The weather was great but the fish were patchy. Congratulations to the Jervis Bay GFC, not only for the event but also for now having a terrific clubhouse. It has taken a while but it all looks great with a big effort put by their President and members

I fished on “Freedom” and we were lucky enough to take out the tag and release section on count back with two Marlin. One of the Marlin was tagged by Kynan Clark, our small fry team member, and it was fantastic to watch him work so hard to bring that fish in. He was exhausted but elated!

We also had a rather eventful trip, grounding on rocks on Saturday night when leaving JB for our mooring. We spent the night on the rocks and pulled ourselves off with two anchors when high tide returned on Sunday afternoon. Unfortunately we had considerable damage but were personally all OK, although somewhat sleep deprived. Sincere thanks to Simo and others who came to our assistance. It was much appreciated.

January brings us the Tollgates at Batemans Bay and the Blue Water Classic at Bermagui. Once again I urge you to support these events, particularly if you are from a neighbouring club. I would like to think that if you represent your club then that club will reciprocate and send a boat or boats to your tournament. Of course this is not always the case.

I am heading to the US on Saturday for a few weeks skiing in Steamboat, Colorado and then shopping in New York and San Francisco. If you need any assistance please contact either Steve Lamond, our SZ Secretary or Nigel Rushworth, NSWGFA Secretary and I am sure they will be happy to help.
