Good to see a number of very respectable captures for the month. Included in those is the Broadbill for Tegan Lucardie, Bermagui, who has had a bumper year with various pending records, both World and Australian, plus a number of Billfish tagged for the season. I also believe that Carol Taylor, Canberra, has a pending record for her Short Billed Spearfish. As usual there are some impressive points for tag and release. It will be interesting to see how we go this year at the NSWGFA presentation dinner.

It was disappointing that Batemans Bay had to cancel their tournament but as we all know, the weather is something we just cannot control. I believe there were some good Yellowfin caught for the first weekend of Merimbula's Broadbill Tournament but have not heard any more to date.

Our AGM and presentation luncheon is scheduled for Sunday 3rd July at the Batemans Bay Soldiers Club in The Bubble. The meeting will commence at 10.30am and lunch at 12.00. Cost for the lunch is \$30 per person with small fry half price. There is also the \$25.00 fee for delegates. Please get your members together and make a table. If you can let me know numbers for catering purposes it would be appreciated. We had a great turnout last year so I hope we can do this same this year and I look forward to seeing many of you there. Once I have finalised calculating the trophy winners I will notify all clubs of recipients of trophies and perhaps they can come along to collect same.

I am sure you are all looking forward to another good season and in the meantime, stay safe and enjoy your fishing.
