Not a whole lot happening for the month with a lot of nil returns. It's only early in the season however and things will no doubt get better for everyone as the weather warms up and more of you get out there.

The Central Coast GFC is hosting the NSWGFA Junior team for the next round and the team will be fishing in the 2017 Great Northern Brewing Bluewater Classic on the 7th and 8th January 2017. For this prestigious event, Clubs are asked to nominate two junior anglers under the age of 16 at the time of tournament. Obviously it is preferable that they have a reasonable amount of fishing experience.

Parents can be assured that their children are well cared for and they are chaperoned and mentored by Grahame Williams OAM. They are asked to bring their junior to the event and collect them after. This is an experience the juniors will remember for years to come as they always have a great time, learn a lot and make lasting friendships.

Nominations must be sent to me no later than 31 October so that I can send our nominated representative/s to NSWGFA. There are four in the team and each Zone has one rep plus another. Listed below is the necessary information and I will also send this to your Club Secretary.

Nominations must include the following :

- Anglers name
- Anglers shirt size
- Anglers date of birth
- Anglers parents phone number and email address
- Fishing resume and parental permission

I am off to Wollongong this weekend to do radio for their tournament so may see some of you there.

Stay safe and enjoy your fishing.
