Well the White Sands was a terrific tournament. It all ran smoothly and is a credit to the members of Jervis Bay GFC. Eight clubs were represented and it is good to see the support from Bermagui in the south to Lake Macquarie up north and many clubs in between

Although the fish were not exactly plentiful, we did at least fish the three days. It was a bit bumpy as there was quite a swell but I think everyone had a good weekend. We had two small fry anglers on board Freedom and six year old Kaden Clark had a brilliant few days on Freedom, tagging 4 striped tuna and taking out his category.

Not a lot of captures for the month but there are some good numbers for tag and release.

The long battle over the Geelong Star finally came to an end after the Dutch owners could not reach a new commercial agreement with the New Zealand controlled Australian company which had been operating the vessel. We won't know for a little while yet what damage these foreign interests have done to our vital small pelagic fish stocks and the many other fish which rely on them. And who knows if we will be lumbered with another vessel to ravage our Small Pelagic Fishery. Hopefully there were many letters sent to the government showing our concern.

Stay safe and enjoy your fishing

*Wishing you all a very happy Christmas and good fishing in 2017.*
