Previous reports of some good catches around Bermagui in April seem to have stalled. There were a couple of really good days but at the moment there seems to be very little around. At one stage we had a heap of Marlin hooked up with some tagged and others lost. But, hey, that's fishing and the fish are a bonus if you are having a fun day with your friends.

We have the Canberra Yellowfin Tournament later this month out of Bermagui and I know that many of you will be there to enjoy this event.. Who knows what the weather will bring but hopefully the Yellowfin will turn up.

There were some good sized Marlin captured in April and again a lot of tagged fish. Reports from Eden tell us that there have been a number of Broadbill taken with some records pending so that is positive. Young Kaitlin Schofield is one of the anglers and it is always great to see our juniors doing well.

Stay safe and enjoy your fishing.
