Canberra	37
Ulladulla	20.5
Shoalhaven	12
Jervis Bay	11
Merimbula	6.5
Batemans Bay	5
Bermagui	4
Eden	3

From the results of both Canberra Yellowfin Tournament and the Merimbula Open there is a definite lack of Yellowfin. There were definite reports of sightings at Canberra's event but there were a lot of souries in the water and so the fin were not interested in bait or lures. There were masses of Albacore tagged at Merimbula, plus a few Sharks and a Short Billed Spearfish. Snappy did his usual and captured a Blur and a Mako that weighed.

There was a lot of really bad language and abuse on the radio during the Merimbula Open which was very disappointing. Ron Del La Mare, President of Bermagui BGAC, gave them a serve and tried to make them understand that the licence for Chanel 22 could be revoked if this behaviour continues. My thanks to Ron, the Bermagui Marine Rescue and the many responsible anglers who tried to shut these ignorant sods up. Unfortunately we are all speaking to idiots who do not care about the sensibilities of others. I know it is hard to ignore these fools but at least if you do not answer them they tend to give up. The response of all you decent anglers unfortunately only fuels them.

Steady race to the finish with our results with Jervis Bay heading Capture and Shellharbour taking out the Tag and Release with just 1 point over Canberra.

I am in the process of working out all the trophies for the season and once this is completed I will notify Club Secretaries of the recipients. Our AGM and Presentation lunch is on Sunday 2nd July at Batemans Bay Soldiers Club so I will also be seeking numbers for this for catering purposes.

July brings us Merimbula's Broadbill and SBT Tournament over 2 weekends which are 7-9 and 14-16 July.

Stay safe and enjoy your fishing
