To the clubs that did send in a return it will come as no surprise that you were not alone in sending in a nil balance. This is, of course, disappointing but things will undoubtedly improve as we move into the season in earnest.

The weekend after next is the Jervis Bay White Sands Tournament and I hope that as many as possible will support this event. Hopefully the fish will be cooperative and there will be a lot more to report on next month.

A group of hard working members have done a amazing job with the Jervis Bay GFC clubhouse putting in a huge number of hours. They are to be congratulated for their dedication and persistence in getting it up and running. Those of you coming to the briefing will see for yourselves the excellent job.

Plans are underway for the NSWGFA State Championships in Port Stephens. This year is a three day event which is being trialled and I hope that we can have a good number of boats from our Zone in attendance. Reducing the number of days to one weekend is a bonus for those who have to travel long distances and take an inordinate amount of time off work and other commitments. Please show your support if possible.

Stay safe and enjoy your fishing
