The recent GFAA AGM in Cairns was most disappointing. They basically hate NSW although we comprise 40% of the membership and are treated like lepers. Our valid notice of motion was deemed "out of order" with a rather dubious interpretation of the legal advice that I asked to be read out. I really have my doubts as to whether we need to be associated with this rather dodgy group led by some very incompetent men.

The best part of the trip was when I had the honour of collecting the trophy for Tyler Whitaker from Shellharbour GFC. He won the champion small fry angler, tag and release in the GFAA National Tournament. Unfortunately Tyler was unaware that he was receiving this but I have sent it on to him. Chris Dwyer from Eden GFC on "Polaris" also took out two trophies for the highest point scoring boat tag and release which are very prestigious awards. Young Patrick Dwyer also received a certificate as a young achiever. There were also a number of other awards taken by anglers and boats in the other NSW zones so we did rather well in that regard.

Please don't forget about some junior nominations for the NSWGFA Junior Team that is fishing the tournament 7-8th January hosted by Central Coast GFC. These must be with me with the relevant information no later than 31st October and come via your club secretary. I have also sent reminders to your secretaries.

The Wollongong tournament was good and it was a different experience doing the radio from the Marine Rescue Headquarters. Great position up on top of the hill with fantastic views all around from the tower. It was good to see so many Southern Zone boats supporting this event even if it is in the Central Zone as I know they support a number of our tournaments.

Very lean month for us.

Stay safe and enjoy your fishing.
