What another fabulous result for our Zone...taking out both the major capture and tag and release categories in the NSWGFA end of season trophies. It was a total surprise as we did not exactly seem to have such a wonderful season but then neither did the other zones. My thanks and congratulations to everyone who contributed to this win and who consistently fish to gain points for the Zone. I was just so proud to jump up there and collect the trophies and to be joined by members of the various clubs represented.

The NSWGFA Junior Team will be fishing the Ulladulla Jess Sams Tournament in 2014 so I am now looking for nominations from all the Southern Zone clubs. With the nomination I need to have a brief resume and parental consent. This is a great experience for our juniors and in the past few years we have been lucky enough to have two of our juniors in the team of four. They are chaperoned and mentored by past GFAA president, Grahame Williams with a game boat and accommodation organised.

Southern Bluefin Tuna (SBT) certainly turned up and I know there were good numbers taken on non zone days as well as those listed above. The run seems to be quite short but numbers plentiful if you can get amongst them. And the annual battle has started for the most sharks captured.

Good luck to everyone and enjoy your fishing!
