Well it's great to see so many boats getting into the tagging with a good number of points accumulated. Certainly not a great deal in capture during Zone weekends, but obviously members are out there fishing on other days as well. Shellharbour have broken the 100 mark! Not too sure how the other zones are going but have a NSWGFA executive meeting this weekend so will endeavour to find out.

I did the radio for Ulladulla and Eden tournaments and both went well. Ulladulla copped bad weather like so many others and the tournament was cancelled at 2pm on the Saturday. Eden had fantastic weather and reasonable sea conditions with a good number of Marlin, Yellowfin, Mahi Mahi and Albacore and one shark. I believe Kiama also had a successful tournament which is great.

Merimbula's tournament is the weekend after next and then there is the Canberra Yellowfin in May.

It is always great to catch up with friends at these events and be a part of the friendly rivalry between our clubs. The tales of the one that got away are always good!

Stay safe and enjoy your fishing.
