Well it has been a pretty quiet month point wise for the majority of clubs in the Zone. I believe that there were other fish taken, but unfortunately not on Zone days and that's just how it goes. So we just have to keep trying and particularly on Zone days.

The first tournaments for our season are not until November with Shoalhaven's Light Tackle Tournament and then the Jervis Bay White Sands Tournament. Hopefully we will have some Yellowfin and Albacore on the chart before then as I hear they are out there.

Please remember to send in your nominations for the NSWGFA Junior team.

Anyway, keep on trying and enjoy your fishing.
