Eden	37	Batemans Bay	6				
Merimbula	19	Canberra	5				
Canberra	10	Eden	3				
		Merimbula	1				

Our General Meeting and AGM were well attended with the majority of the clubs in our Zone represented. There was healthy debate and discussion on a number of issues including the motions put forward for the NSWGFA AGM. It is important that all clubs send their requisite number of delegates to this meeting as this is where we can have our say and vote on important issues.

It gave me pleasure to welcome forty eight to the Presentation Luncheon that followed the AGM. Shellharbour GFC came in numbers, with just cause, as they took out both the capture and tag and release categories in the Cock O'the Walk. Ten clubs were represented and there was a mix of recipients from the clubs present. We also had a number of juniors present with many of them winning trophies. It was good to see many of the trophy winners actually present to collect their plaque. Congratulations to everyone for both winning and participating.

The juniors are of course the future of recreational gamefishing and it is good to see a number of boats taking them out, encouraging them and teaching them both techniques and the ethics of our sport. They are, in general, an articulate group and it is always interesting to hear their ideas on certain aspects of this sport.

It is good to see a reasonable return for this month and hopefully it will be a busy season with some interesting results.

Stay safe and enjoy your fishing. Sanchia
