Due to the horrendous weather conditions and forecasts Ulladulla GFC moved their tournament to 15-17 March with the approval of NSWGFA.

This unfortunately means that we have three consecutive weekends for tournaments. The Southern Zone Interclub is 9-10 March where you can fish out of your own port which is the same weekend as the Alliance in Bermagui. Then Ulladulla followed by the Shoalhaven Open. I know it is hard to expect people to fish every tournament, even in their area, but I hope that we can get good numbers and some competition going for our Interclub and the others. Try and support your own club and those in your vicinity if possible as we all rely on our tournaments for our financial viability and there is a lot of work put into organising these events.

Please remember to send in your Columbus and George Bass returns as soon as you can after your tournament.

For your interest I have included ALL the results for the month so you can see there have been a lot of fish tagged as well as those recorded captures. And it is also good to see that the majority of clubs in the Zone are represented in the general pointscore. Healthy competition is good!

Stay safe and enjoy your fishing.
