Well at the GFAA AGM it was very obvious that NSW was definitely not the flavour of the month. They seem to be intimidated by us as we tend to be quite outspoken and not just lead blindly. Our motion to have the fee increase rescinded was rejected despite the fact that we went in thinking we had the numbers, but votes were changed at the last minute. Anyway we said we would now have to discuss at our AGM to see what our members want to do with the option of walking away from GFAA. You could have heard a pin drop when we dropped that one on them.

NSW anglers took out a number of awards. I was very proud to collect those for Aaron Goodger from Shellharbour and Jasper Dalhunny from Merimbula for champion tag and release and champion capture in the GFAA National Junior Tournament. This is Aaron's second year of taking out this award.

The Jervis Bay White Sands produced some good results despite a few hiccups with the weather. It is always a hard one trying to predict the weather and the bottom line is that decisions to cancel cannot be made until the morning on each fishing day.

January brings both the Batemans Bay and Bermagui tournaments and hopefully they will both have good weather and plenty of fish. These are followed by the Ulladulla Jess Sams where our three juniors, Jake Brisbane, Brandan Lillico and Rhett Gulsonn, will be fishing in the NSWGFA Junior Team. Shellharbour also have their tournament in February.

Wishing you and your members a very merry Christmas and a happy and healthy year ahead.

Stay safe and enjoy your fishing.
