Some great tuna captured this month as the Yellowfin continue to deliver in size more than numbers. Fantastic to see a few clubs on the board early in the season.

As you are all well aware by now the AGM season has been disrupted by Covid once again. This year we will be holding our AGM and presentation at a later date, we just need restrictions to ease to the point where we can have enough people present to make it worthwhile. Please be patient and understanding in this situation. I will reschedule the SZ function for a non-zone weekend when we can make it work. It may be at relatively short notice once restrictions are eased. Hopefully as the vaccination rollout continues we will not have these problems again.

The NSWGFA AGM is also victim to the restrictions and I will advise any updates once I know from Garry and Nigel.

Once again I have issued the **draft** Zone Calendar for your approval. As we are not sure when we are holding the AGM to nominate dates I have taken the liberty of using the last few year's dates as a guide. This is a **DRAFT** only, could all clubs please confirm tournament dates back to me by Friday the 30<sup>st</sup> July.

Hopefully we return to some sort of normality sooner rather than later, in the meantime enjoy your fishing.

Stay safe and tight lines Steve
