Well that's a wrap on another year, well done to all the clubs this year in what has been a difficult season to manage under changing restrictions. There have been some great capture and tag efforts and the Marlin bite of JB and Ulladulla was as good as I can remember this year.

Thank you to all the recorders for getting back to me promptly this year, please don't forget to forward you contact lists if they change after you hold your AGM's. Thank you to all the committees for their hard work this year and keeping the sport going through these uncertain times.

I will collate the winners for the season and notify all the clubs ASAP, could the recorders please fill out the end of season form and return it promptly please so I can organise the trophies.

I look forward to seeing as many winners as possible with the current restrictions on Sunday the 4<sup>th</sup> July at Batemans Bay Soldiers Club for the presentation and AGM to be held in 'The Bubble'

Stay safe and tight lines Steve
