Kiama	10pts	Bermagui	6pts		
Batemans Bay	10pts	Kiama	5pts		
Canberra	9pts	Shoalhaven	5pts		
	-	Eden	3pts		

Some great yellowfin captures for the month as well as a couple of very nice Blue Marlin. It was great to see nearly all clubs sending in returns with plenty of action right throughout the Zone.

As the season winds up for another year I know a few clubs are having AGM's early as they could not hold them last year. Please don't forget to update your committee information and contacts with both myself and NSWGFA secretary Nigel. This information is crucial to us keeping the lines of communication open.

There is still plenty of good fishing to be had with Marlin still being encountered from Eden to Shellharbour as well as good sized Yellowfin hanging around so if the weather permits get out there and enjoy the last few weeks. There is still some large items of debris floating out there and as the current pushes back uphill you may see some increase in sightings again after the floods. Also keep a close eye out for our whales as they migrate North.

You should have all received your paperwork for the upcoming NSWGFA AGM to be held in Coffs Harbour in July. If you have not seen any information yet please contact Nigel. I hope to see all clubs represented at the meeting as we catch up after last years cancellation.

Stay safe and tight lines Steve
