Ulladulla	22pts
Jervis Bay	19pts
Shellharbour	19pts
Canberra	13pts
Kiama	5pts
Shoalhaven	5pts
Merimbula	5pts
Bermagui	1pt

No captures for this month but a steady flow of tagged fish as the Marlin bite slows down. There was some very average weather during March and a reminder that there is still a lot of debris off the coast floating in the currents. One of my mates hit a steel drum this week 60 kilometres off the coast and put a substantial hole in his boat, fortunately he was able to return to shore under his own power but was very shaken by the experience.

I have spoken to Batemans Bay Soldiers Club about the presentation and AGM and under current restrictions we will be allowed 40 people in the 'bubble' for the meeting and lunch. Hopefully restrictions will ease further between now and then and we can have as many as we like. I will be in touch with all clubs about this as we get closer.

The currents are slowing and the Yellowfin are starting to turn up being harassed by some big Blue Marlin. There are still plenty of Striped Marlin in closer although not as consistent as they have been. There have been some good Wahoo caught up Kiama/ Shellharbour way as well which is a welcome bycatch when trolling for Blues.

The tournament season is has been and gone for the summer so get out there and enjoy some time on the water with family and friends before winter gets a grip.

Stay safe and tight lines

Steve
