Merimbula	20pts		Jervis Bay	11pts			
Shellharbour	18pts		Merimbula	5pts			

Well done JBGFC who have had a great month and will be hard to catch in capture this year with a good early lead. Jervis Bay GFC should also be congratulated on the running of the Whitesands Tournament weekend which ran very well under the revised format to ensure Covid safe practices.

Shoalhaven

4pts

The NSWGFA Interclub tournament will not be held at Port Stephens in February 2021 due to Covid restrictions but will be run under a completely new format that is currently being finalised. This new format will enable all Southern Zone clubs to participate which will be fantastic. Details will be forwarded to clubs shortly so start talking to members about getting teams of 3 boats together to compete.

The warm water currently up North seems to be very productive with good numbers of Striped and Blue Marlin being encountered. Early season Dolphin Fish have been caught of Sydney as well so it won't be long before we see the traditional summer species grace our waters.

Stay safe and tight lines Steve

Ulladulla

Kiama Batemans Bay 10pts
