I hope you all had a great Christmas and New Year. Unfortunately this year is shaping up as a continuation of the last couple with Omicron now the new battle. It was unfortunate to see Ulladulla have to postpone their tournament due to this latest outbreak. Hopefully we have seen the peak and things will improve as the year goes on (fingers crossed).

It was great to see both Batemans Bay and Bermagui well supported for their tournaments, please continue to support clubs that are able to host their tournaments through these times.

It's nice to see a few fish caught last month and the marlin season is going well along the coast with most areas having a good bite over the holiday period.

The NSWGFA All Ports is on in late Feb and hopefully we will have a good turnout again in the Zone. I will send out more details once we get a bit closer.

Sorry for the late posting of results this month as I have been away since Christmas.

Stay safe and tight lines Steve
