Some mind blowing fishing in the area throughout January and it still continues to fire. Well done to those boats scoring some amazing points in Tag and Release with double digit days a plenty at the moment.

We have had a good turnout for the NSWGFA Interclub with 46 boats representing Southern Zone Clubs and 206 boats overall. With the hot fishing still off JB and Ulladulla at the moment I am hopeful that a SZ team will factor in the top teams.

Covid continues to keep us all on our toes and on edge, it has been great to see tournaments running again and I urge everyone to get out and support your neighbouring clubs. I thanks all of you for keeping up the good work and representing our sport well throughout these times.

Don't forget the SZ All Ports tournament on 6th and 7th of March and we need 3 teams minimum from each club.

Stay safe and tight lines
 Steve
