

The Blue Water Classic is over for another year.

Unfortunately, there was only one day of fishing as the strong winds came up and Sunday and Monday competition had to be cancelled for safety reasons.

Considering the amount of fish that has been around (or rather not around) this season, the only day of fishing was very successful with

14 marlin tagged along with

1 mahi mahi,

1 shark,

4 albacore and

5 yellowfin tuna and

the small fry (under 11 years) anglers having a ball with the striped tuna.

There was only one captured fish - 1 striped marlin.

The roll up of 73 boats was the best few several years and brought 285 anglers to fish Bermagui's waters.
