With all the horrendous fires around I hope that you are all safe and you have not been adversely affected. We have them all around Canberra and the smoke pall is a horrible reminder of the devastating fires we had here ten years ago.

What a disastrous month!!!! Were you all just out partying too hard for Christmas? Apparently there have been fish caught but unfortunately not on Zone days, hence the rather depressing December results. I know it has been a pretty lean year for some with twelve months between fish but that's going to change and we have to stay positive.

This weekend brings us the Batemans Bay Tollgate Classic and hopefully some fish to report. February 1-3 we have the Ulladulla Jess Sams Tournament and the Shellharbour Tournament is on the list for February 9-10.

The rules and entry for our Interclub on March 9-10 have been sent to all clubs so please consider fishing this event. It is only \$20 to enter and as you can fish out of your own port there really is no excuse not to be in it.

I wish you all a healthy and happy 2013. As I am doing the radio for a number of tournaments I look forward to catching up with some of you throughout the season. Stay safe and remember to try and fish on Zone days and get some points up for your clubs and the Zone.
